About Us & Our Services

We at FM Consulting International ('FMCI') are a team of Lawyers, Chartered Accountants, Cost and Management Accountants and Business Consultants who has a proven record of accomplishment providing excellent service and practical guidance that will support you in accomplishing your corporate objectives. FMCI is a sister concern of Fox Mandal (FM) Associates having offices in India, UK and Bangladesh. Our journey began in 1896. The Dhaka office was set up in the year 2007 and we expanded to Chittagong in 2015.

We are known for our integrity, efficiency and a high degree of partner involvement. Our reputation is founded on the simple philosophy of personal, prompt service and advice relevant to the modern requirements of business.

Your subscription with our service would get you paired with our team of dedicated highly vetted professional accountants and consultants, who would learn your business practice and processes and start providing the best plausible solutions.

Availability

At FMCI, any of our clients whatsoever in size, wherever and whosoever can be in touch with our supportive, approachable and understanding team. We are for, by and with our clients.

Our People

We maintain and uphold the highest quality standards for ourselves. This is seen in not only our choice of partners and professional staff, but also in their further training. Our Associates constantly attend external continuing professional development seminars in order to strengthen their specialized knowledge in various areas. Our connections with universities and colleges and professional associations help us in pursuing this objective.

Professional Affiliation

We are affiliated with global Fox Mandal Group, J. Mandal & Co., Chartered Accountants
